

MY PASSPORT[™] ULTRA PORTABLE STORAGE

Stylish Storage. Brilliant.

- Brilliant design, pairing metal and matte finishes
- Included WD Discovery[™] software for social media and cloud storage import, backup, and password protection
- Trusted drive built with WD reliability
- 3-year limited warranty

The My Passport Ultra drive is portable storage in a design that brilliantly pairs metal and matte finishes to create a sophisticated style. There's plenty of space to store all the content you love. Social media and cloud storage import, backup, and password protection help keep all your memories safe and secure.

MY PASSPORT™ ULTRA PORTABLE STORAGE

Product Features

Brilliant Design

Fusing metallic and matte finishes, the brilliant design of the My Passport Ultra drive fits comfortably in your palm, pocket or purse so you can take the content you love anywhere.

Automatic Backup

Equipped with WD Backup™ software to auto back up photos, videos, music and docs from your system onto the drive. It's quick and easy to set the time and frequency.

Password Protection

Included 256-bit AES Hardware Encryption with WD Security™ tools helps keep content secure. Set a personalized password to activate hardware encryption and data protection.

Social Media and Cloud Storage Import

Included WD Discovery™ software connects to popular social media and cloud storage services, like Facebook, Instagram, Dropbox, and Google Drive™. Import your photos, videos and docs to the My Passport Ultra drive to help preserve your online life.
